LANGNOUERLI & CO. – SESSIONS @ WÄBERE CHÄUER

The 'Langnouerli' performs in the limelight and all around something is brewing in the Wäbere-Chäuer: a gourmet menu for the ears, cooked by many chefs who don't spoil the broth but season the soup exquisitely. Different every evening and all the way through. Play along and/or listen! thomasaeschbacher.ch

Langnauerörgeli (= Diatonic Accordion), born 1836* in Langnau in the Emmental

Various harp makers/'Harfner' and Langnauerörgeli creators have been building the so-called 'Langnouerli' for almost 200 years. The best-known single-row, 2-chord 'Härfpli' with 3 basses captivates with its manageability and its special sound.
